# Decoding cancer across scales: from genes to tumors

The Annual Conference of Oncode Institute is open to the wider scientific community. We welcome researchers from the Dutch scientific oncology community. Excellent (inter)national speakers from different fields will highlight new developments in cancer research.

## Confirmed speakers

**Eduard Batlle**  
IRB Barcelona, Spain

**Cédric Blanpain**  
Université Libre de Bruxelles  
(ULB), Belgium

**Thijn Brummelkamp**  
Netherlands Cancer Institute,  
The Netherlands

**Omer Dushek**  
University of Oxford, UK

**Bill Earnshaw**  
University of Edinburgh, Scotland

**Ricardo Fernandes**  
CAMS Oxford Institute, UK

**Rebecca Fitzgerald**  
MRC/CRUK, UK

**Luca Giorgetti**  
Friedrich Miescher Institute,  
Switzerland

**Margaret Goodell**  
Baylor College of Medicine,  
USA

**Titia de Lange**  
The Rockefeller University,  
USA

**Susana Minguet**  
University of Freiburg,  
Germany

**Anna Obenauf**  
IMP, Austria

**Danny Sahtoe**  
Hubrecht Institute,  
The Netherlands

**Paola Scaffidi**  
IEO Research, Milan Italy

**Andrea Sottoriva**  
Human Technopole, Italy

**Céline Vallot**  
Institut Curie, France

## When?

**Thursday 6 November and  
Friday 7 November**

 9:00 - 18:15

## Where?

**KIT Royal Tropical Institute**

 Mauritskade 64,  
Amsterdam

## Scientific Committee

**Kristina Ganzinger**  
AMOLF

**Tineke Lenstra**  
Netherlands Cancer Institute

**Hugo Snippert**  
Princess Máxima Center
